Inventory report

Sample household · fictional records and estimates
Snapshot: 2026-11-25
Confirmed possessions visible to this account: 3
Valuation basis: Owner estimate · USD
Selected subtotal: $225.00 · 2 valued · 1 without an included value
Awaiting review: 0 drafts · 0 unfinished server capture sessions
Unsettled captures on this phone: 0
Each item includes its available photo. Family decisions and original documents are omitted.

1. Copper-lustre teapot
Earthenware with copper-lustre decoration, 14.3 cm tall. Dining room, upper cabinet. The handle and lid are intact; a family note says it came from Aunt May. Keep the lid wrapped with the pot.
Category: Tableware

Attached media: 1 · Documents: 1
Owner estimate: $85.00 USD
As of 2026-11-25

2. Slate mantel clock
Slate case with enamel and gilding, 31.8 cm tall. On the sitting-room mantel. The winding key is in the drawer below. The family has not tested the movement; check it before moving the clock.
Category: Clocks

Attached media: 1 · Documents: 0
No eligible value recorded on this basis.

3. Roses quilt
Floral quilt stored flat in the linen cupboard. The edge binding is worn at one corner. A note with the quilt identifies it as the one used in the guest room; photograph the reverse before packing.
